

Ktima

“Ktima” means “Property” in Greek.

Make your “Greek dream” come true!

Become the owner of a summer house or a second residence, simply, without the hassle of research, and fastidious procedures...

We offer you our expertise, professionalism and guidance.

Our team will assist you in choosing, building or renovating, settling in.

Heading the team, Michalis Gryparis, architect DPLG, of «Michalis Gryparis and Patners» architectural firm, trilingual, with more than 35 years of experience in construction and renovation of houses on the Greek Cycladic islands as well as in Athens and it's vicinities.

With him, a network of Real Estate agencies, administrative and technical counsellors, engineers, constructors, landscapers, all dedicated to offer you personalised, tailor made services based on your wishes and necessities.

It is for us to overcome every challenge and for you to enjoy every moment!
